<RN> US3930271
<CLMS> <CLAIMS> <CLAIM ORDER='0'> What I claim is: </CLAIM> <CLAIM ORDER='1'> 1. A golf
glove comprising at least an index finger receptacle, a middle finger receptacle and a
back surface extending from said receptacles in the direction of the wrist, and further
comprising another finger receptacle disposed adjacent said index finger receptacle and
said middle finger receptacle and overlapping a portion of said back section. </CLAIM>
<CLAIM ORDER='2'> 2. A golf glove in accordance with claim 1 wherein said other finger
receptacle is attached along its periphery to said index finger receptacle, said middle
finger receptacle and said back surface. </CLAIM> <CLAIM ORDER='3'> 3. A glove comprising
an index finger receptacle, a middle finger receptacle, a back surface extending in the
direction of the wrist, a finger restraining strap extending between said receptacles, and
a finger restraining strap attached to said back surface adjacent said index finger
receptacle and said middle finger receptacle and aligned in a direction substantially
parallel to said finger restraining strap extending between said finger receptacles. </
CLAIM> <CLAIM ORDER='4'> 4. A golf glove adapted for use on one hand of a golf player
comprising at least an index finger receptacle and further comprising a finger receptacle
attached to the side of said index finger receptacle most nearly adjacent to the thumb and
adapted to receive a finger of the golf player's other hand. </CLAIM> </CLAIMS>
